Lehi, UT

SKILLS

- Experience designing with **Figma, FigJam, Framer, Affinity Photo, Sketch**
- Experience developing with **HTML, CSS, SCSS, JavaScript, React, Vue, Framer Motion**
- Well versed in **ClickUp, Jira, Slack, Agile/Scrum methodologies, Usability testing, Accessibility**

EXPERIENCE

UX Designer / ViewPoint Co-Management

NOV 2024 – JAN 2025 CONTRACT

- Designed and developed a responsive website, utilizing Figma for design and Framer for implementation
- Conducted extensive research on user needs, industry trends, and competitor benchmarks to ensure a strategic and user-centered design
- Orchestrated and facilitated stakeholder meetings, reviews, and feedback sessions, ensuring alignment and clear communication throughout the project

UI/UX Designer / Freelance

NOV 2023 – JAN 2025

- Conducted user research and created wireframes, mockups, and prototypes, contributing to intuitive and user-friendly design solutions
- Applied accessibility best practices in design, ensuring WCAG compliance and broadening product reach
- Presented research-driven design concepts to product owners, securing buy-in through clear rationale

UI/UX Designer / DevPipeline

JAN 2023 – SEPT 2023

- Led cross-functional meetings with designers and developers to discuss progress, resolve blockers, and align on design and development priorities
- Managed multiple design projects simultaneously, delivering high-quality work on time and meeting client expectations for each
- Led the design of modular UI components, cutting duplication by 21% and decreasing development time by 11%

Web Developer and Educator / DevPipeline

APR 2022 – SEPT 2023

- Led a team of junior developers, providing mentorship and conducting code reviews to ensure best practices
- Provided guidance and support to students, resulting in a 95% student success rate in completing course material
- Taught Front End Web Development through lectures, demos, and hands-on coding sessions
